### Commodore's Log

Hello Yacht Club Members;

I write this having just returned from our cruise to the Petaluma Yacht Club. The trip was well planned and successful due to the good work by our Port Captain Marc Sykes. Thanks for the excellent job Marc.

The town of Petaluma was in the process of celebrating their part in the production of the movie "American Graffiti". You probably knew that that a portion of the film was shot there. There were many of the beautifully restored cars of that era on display. The town was jumping and we did a little jumping ourselves.

The next morning we left for the trip home which proved to be a bit of a challenge. Some reported winds as high as 30 knots. The good part was, wind is free, so for the most part we had a free ride. You will probably agree that it's not easy to get that now days.

At the meeting I suggested that anyone planning a sailing trip and would like any other members to join them announce it in the signal. We also agreed to have club paid for dinners several times a year. The dinners to be announced also in the Signal. These would be for members only. Guests would be the responsibility of the member.

We had the pleasure of welcoming two new members to our group, Lupi and Michael Shulkin. At our next meeting we plan to welcome more new members, the Coopers and family. Once again I plead for input to the Signal.

Great timing... we picked a day when the town was remembering the good ol' days. This is a Red Olds... maybe! What's your guess?
